Hyndburn & Lancashire Labour's Priorities

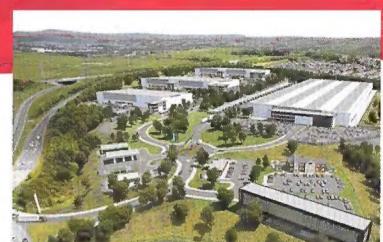

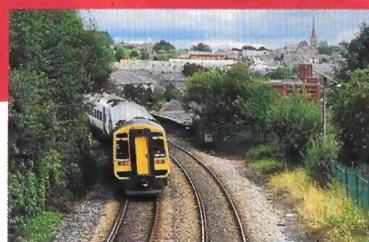

To promote post-COVID **job growth** & supporting **businesses & skills**

A Labour County Council that will fight the **North-South divide** – Getting a fair share

Supporting our **Young people** – our future, **improving public services** supporting **the NHS**

Campaigning for **major transport investment**. Pursue policies improving the **environment**.

To keep Hyndburn **Cleaner, Greener, Safer**, to promote **Enterprise, Industry and Pride**

Public Services, Pride

Restored many of our buildings of great heritage. Brought in the best waste recycling service in Lancashire. £20m extra for roads over next 4 years. Lobbying government for the county's missing 450 bobbies. Investing in social care care, supporting our NHS and our public services.

Transport, Prosperity

Direct rail service to Manchester, a new bus station, rebuilding lost railway connections, pressing for a freight rail terminal, actively seeking to develop international trade links to open up new markets, campaigning for major highways investment (M66, M65).

Clean, Green, Safe

9 Green Flags Parks in a decade, 2x new largest nature reserves in Lancashire, more trees planted than any Lancashire council, brought in over £8m of parks funding, 100 miles of cycling provision over the next four years across Lancashire.

Industry, Enterprise

Largest Industrial estate in Lancashire at Whitebirk including Hilton hotel. Created 2000 new jobs at new Hyndburn business parks. Worked with expanding businesses across Hyndburn. Establish a business development team to support start-ups SMEs.
